ABOUT THE EVENT

Please join us for an in-person speed networking event and lunch! This event will provide an opportunity to meet other individuals working on aging research at Rutgers and to share your own research. Attendees will discuss their research interests, current projects, and what they are looking for in potential collaborators.

WHO SHOULD COME

Rutgers faculty, staff, postdocs, graduate students, and other trainees developing or actively working on aging-related research.

EXAMPLE AREAS OF INTEREST

- Age-friendly initiatives and communities
- Cognition & dementia
- Serious illness
- Caregiving
- ...and more!

RUTGERS HEALTH
Robert Wood Johnson Medical School
Parker Health Group Division of Geriatrics

RUTGERS UNIVERSITY
