

# Special Populations Seminar

## Addressing Mental Illness and Addiction among Individuals with Intellectual and Developmental Disabilities

### Elizabeth Stone, PhD, MSPH

Instructor, Department of Psychiatry, Robert Wood Johnson Medical School  
Core Faculty, Center for Health Services Research,  
Rutgers Institute for Health, Health Care Policy and Aging Research

**Tuesday,  
April 28**

**12:00PM-  
1:00PM**

**Via  
Zoom**

This presentation will provide an overview of the current evidence on prevalence and treatment of mental illness and substance use disorders among adults with intellectual and developmental disabilities in the US. Future directions for research and considerations for clinical practice will also be discussed.
