

Navigating the Diversity of the University to Support Our Graduate Students

- Join us as Rutgers CAPS Community Based Counselors, Shan Reeves, LCSW, Mei-ling Cheng, LPC and Dana Simons, LPC, discuss the unique challenges facing **graduate students from underrepresented groups as well as international students with an emphasis on mental health, and how we faculty members can best support these students.**
- We will also discuss a case study and share experiences and advice in mentoring students from underrepresented groups as well as international students.

Tuesday February 6, 2024
12:00 - 1:30pm
