INNOVATION VENTURES SENIOR INTERNSHIPS PROGRAMS

Innovation Ventures, the technology transfer unit of Rutgers University, invites **Rutgers graduate students (Masters and PhD)** and **postdoctoral candidates** to apply for any or all of our **Senior Internships programs** (Commercialization Funds, IP Law, New Ventures, Technology Marketing & Business Development), which begin **Summer-Fall 2023**.

COMMERCIALIZATION FUNDS:

- **What:** Two senior interns will learn the steps around TechAdvance and HealthAdvance, early-stage technology funding programs that accelerate the commercialization of Rutgers researchers' inventions.
- **Requirements:** Minimum 10 hours/week
- **Deadline to apply:** June 2, 2023

INTELLECTUAL PROPERTY LAW:

- **What:** Senior interns will be trained on the processes of IP management in a university setting to get real-world experience assisting with innovation development and the transition of technology from laboratory to market.
- **Requirements:** Minimum 10 hours/week
- **Deadline to apply:** June 2, 2023

NEW VENTURES:

- **What:** Two senior interns will participate in all aspects of supporting start-ups based on Rutgers innovations, including working with the licensing team to better understand the IP and commercial markets around technologies and identify startup opportunities.
- **Requirements:** Minimum 10 hours/week
- **Deadline to apply:** June 2, 2023

TECHNOLOGY MARKETING & BUSINESS DEVELOPMENT:

- **What:** Two senior interns will be trained on processes that constitute all of our marketing efforts. Communicate with industry, participate in business development meetings and promote Rutgers technologies.
- **Requirements:** Minimum 10 hours/week
- **Deadline to apply:** June 2, 2023
