Center for Advanced
Biotechnology and Medicine

CABM Seminar Series FY24

Katherine M. Aird, PhD

Associate Professor
Department of Pharmacology & Chemical Biology
University of Pittsburgh

Topic:

Beyond Methylation: How alpha-ketoglutarate Promotes DNA Repair via Histone Acetylation

Date and Time

Wednesday November 1, 2023
12 PM

Location:

Hybrid – CABM 010 and Zoom

<https://rutgers.zoom.us/j/94235160765?pwd=R0RpRU RKZDVpOEFHK3FiRGhpeXU0UT09&from=addon>

Meeting ID: 94235160765

Password: 046353

Hosted by:

Alexander Valvezan, Ph.D.
