Join us for the NJ Acts Biostatistics and Epidemiology Workshop Series:

Team Science: Overview and Case Studies from the NJ ACTS Team Science Core

Thursday, March 7, 2024 1:00pm – 2:00pm over Zoom

This workshop will provide an overview of key concepts and strategies associated with the practice of team science. The session will also highlight two applied examples of interdisciplinary team science initiatives. Attendees will have an opportunity to reflect on their own team science experience and possible ways of enhancing the effectiveness of current and future teams.

Presenters:

Ralph A. Gigliotti, Ph.D.

Nancy E. Reichman, Ph.D.

Daniel B. Horton, MD, MSCE

Target Audience:

Faculty and trainees with
current and future interests in
team science
