

# NIH Fellowship Writing Group

*Under the guidance of a Grant Writing Coach,  
construct your NIH fellowship application this Fall.*

## Who is this Writing Group for?

*PhD and MD/PhD students and Postdocs preparing NIH NRSA fellowship applications for the December 2024 or April 2025 deadlines. We typically accept ~25 participants each year.*

## What is the weekly commitment?

*This is an interactive group. You will need to submit application sections each week – and – peer review sections from other participants in addition to the 1-hr live meeting. Plan to commit ~6 to 8 hr effort each week.*

## Where and when do I sign up?

*Sign up at the QR code. Limited spots!*

## Are participants successful in obtaining their NIH fellowship?

*Yes! Successful examples are available to participants .  
Some recent awardees include:*
