Tuesday, September 13, 2022

Zoom: 12:00pm - 1:00pm ET

Presented By:

Coleman Drake, PhD
Assistant Professor, Health
Policy and Management

Faculty, University of Pittsburgh
Medicaid Research Center and Center for
Pharmaceutical Policy and Prescribing

Geographic access to medical cannabis dispensaries, cannabis use, and mental health

Dr. Drake is an Assistant Professor in the Department of Health Policy and Management and an affiliate faculty member at the Medicaid Research Center and the Center for Pharmaceutical Policy and Prescribing at Pitt. His work focuses on access to care for vulnerable populations, and his two current areas of research are policy changes to the Health Insurance Marketplaces established by the Affordable Care Act and the impact of policies affecting substance use, particularly opioid use disorder and cannabis use.
