Join us on Thursday, January 12<sup>th</sup> at 12pm for the  
NJ ACTS Biostatistics and Epidemiology Workshop

# “Opioid Analgesic Reduction Study: Driving Quality Improvement in Clinical Trials”

## Speakers:

**Dr. Janine Fredericks-Younger**  
Associate Dean of Graduate  
Programs at Rutgers School of  
Dental Medicine

**Dr. Cecile Feldman**  
Dean of Rutgers School of  
Dental Medicine

The workshop is designed for anyone interested in learning about data quality management within clinical trials. We will highlight strategies our team used in developing a continuous quality improvement program for our clinical trial and enable participants to explore strategies that they can incorporate into clinical research studies.
