## Virtual Internships with NJ ACTS

### Fall 2021

Applications Due June 7, 2021

The New Jersey Alliance for Clinical & Translational Sciences (NJ ACTS) Workforce Development Core (WFD) hosts virtual internships each Fall semester. Highly motivated and independent students are encouraged to apply!

Program Synopsis:

- Interns spend ~15 h/week on their project. Interns meet with their supervisor at least once weekly.

- There will be required online meetings of all interns with Workforce leadership to provide project updates and participate in trainings every two weeks.
- At the end of the program, interns will be required to submit a written and graphical abstract. In addition, all interns will be required to present their final project at a symposium in late November/early December.
