Join us for the NJ Acts Biostatistics and Epidemiology Workshop Series:

Use & Application of NHANES Data for Biomonitoring Studies

Thursday, October 19, 2023 1:00pm – 2:00pm

This workshop will give an overview of how to use NHANES data, with an emphasis on environmental data, post-stratification sample weights, and complex sample design.

Presenter:

Katherine (Kate) Lubina, MS
PhD candidate Concentrating in
Epidemiology

Target Audience:

Open to all! Especially those interested in working with and analyzing nationwide survey data.
