

UNDERSTANDING & ADDRESSING IMPLICIT BIAS AND "OTHERING"

Thursday, September 21st, 2023
12pm-2pm via Zoom

REGISTER NOW

Speakers:

- James Hill, Ph.D., New Jersey Medical School
- Maria Soto-Greene, M.D., MS-HPed, New Jersey Medical School

Implicit bias refers to the unconscious attitudes, thoughts, or feelings which may be contradictory and inconsistent with an individual's conscious beliefs. Despite the unconscious nature of implicit bias, there is evidence that it affects healthcare and workplace outcomes. Please join us for this important session.
